

## *Casa Villa de los Frailes*

---

Surrounded by astonishing natural beauty in a setting of incomparable tranquility on the East Cape, Villa Bahia de Los Frailes is a luxury vacation getaway of rare appeal.

Combining breathtaking views with high-end amenities, this beachfront villa offers a stunning panoramic vista of the Sea of Cortez, wide sandy beaches and desert mountains. Bahia de los Frailes is just a short drive to Cabo Pulmo, a pristine natural marine sanctuary offering incredible snorkeling and diving opportunities among one of North America's few living coral reefs.

Bahia de los Frailes itself offers great swimming in warm waters. If you're a nature lover seeking to experience the legendary biodiversity of the Sea of Cortez without sacrificing creature comforts, this villa is for you.
